1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a Customer of the company and a homeowner in Hunters Glenn subdivision.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I understand any and all businesses need a healthy profit for their bottom line in order to stay in business. However, no business ,especially a business like a public utility with a captive client base, should expect a rate increase as shocking as 80%. I understand these are tough times for businesses, but using a rate increase to cover mismanagement of a system is criminal. Any reputable business has a business plan that includes small incremental rate increases that cover anticipated expenses forecast over a long period of time. This rate increase would no doubt put a hardship on customers with fixed incomes and shock and awe in the rest of us. I formally protest such an increase!!!!!

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

(This section should be completed.)

No I do not wish to attend.
